MINUTES OF A REGULAR MEETING
OF THE BOARD OF DIRECTORS
OF THE PICO WATER DISTRICT

A Regular meeting of the Board of Directors of the Pico Water District was held in the District's Boardroom located at 4843 South Church Street, Pico Rivera, California, on Wednesday, June 2, 2021 at 6:04 p.m.

The District's Secretary/General Manager, Mr. Mark J. Grajeda proceeded with the roll call of the attending Board members. Present from the beginning of the meeting were President David R. Gonzales, while Director Pete Ramirez, Director Robert Martinez, and Director Victor Caballero participated telephonically, in adherence to social distancing. Mr. Jim Ciampa, Legal Counsel for the District participated electronically. Director Raymond Rodriguez joined the meeting at approximately 6:07 p.m.

President Gonzales presided over the meeting and led everyone in the Pledge of Allegiance.

Mr. Jim Ciampa gave the invocation.

President Gonzales proceeded to the next item on the Agenda, Public Comments. There were none.

President Gonzales proceeded to the adoption of the Agenda. Director Rodriguez made the motion to adopt the Agenda and Director Ramirez seconded the motion. The General Manager announced that the motion passed by roll-call vote, 5 – 0.

President Gonzales proceeded to the approval of the Consent Calendar. Director Rodriguez made the motion to approve and President Gonzales seconded the motion. The General Manager announced the motion passed by roll-call vote, 5 – 0.

President Gonzales proceeded to the next item on the Agenda, consider proposal from Kabbara Engineering to design construction plans and bid specifications to install a wastewater discharge line for Well 5A in the amount of \$18,502. The General Manager informed the Board that the Health Department has required the installation of wastewater discharge lines at all well sites that will have PFAS treatment facilities. A wastewater discharge line was installed at Well 11 during construction and the cost to engineer a discharge line at Well 8 was within the General Manager's purchasing authority. However, the work required at Well 5A is more complicated and more extensive therefore more costly. After some discussion by the Board Members Director Ramirez made the motion to approve the proposal from Kabbara Engineering in the amount of \$18,502 and President Gonzales seconded the motion. The General Manager announced that the motion passed by roll-call vote of 5 – 0.

President Gonzales proceeded to the next item on the Agenda, consider Burma Road bid proposal Alternate B Bid Item. The General Manager stated that the Board previously approved a bid by Dominguez General Engineering ("Dominguez") in the amount of \$108,180 for work on

Burma Road from Bequette Avenue to Rosemead Blvd but not the Alternate Bid item B, which was also submitted in Dominuez's proposal and submitted for work called out to install a six-inch line in two private side streets (669 linear feet of six-inch main for both streets). Staff was now proposing that the Board consider approving the installation of one-half of the 669 linear feet, approximately 334 ft., at a cost of approximately \$40,812. After a brief discussion Director Ramirez made the motion to approve Dominguez's Alternate B Bid in the amount of \$40,812 and material cost from S & J Supply Co, Inc. in the amount of \$57,000. Vice President Caballero seconded the motion. The General Manager announced that the motion passed by roll-call vote 4 – 1 – 0, with Director Martinez voting "no".

President Gonzales proceeded to the next item on the Agenda, General Manager's report. The General Manager reported that Stephens Street Pipeline Project now has all services connected to the new main, the line is fully functional and have completed the tie-ins to Church and Tobias Streets. Next, they will make tie-ins to Passons Blvd. and Durfee off of Stephens Street and then they will be done and ready to move on to Burma Road; A hydrant was hit over the holiday weekend off Tobias and Bartolo; We have presented WRD with hard costs from AKM and AqueousVets, projected engineering costs, and speculated costs for SCADA and site work for PFAS treatment plant expenses; lastly, the General Manager will be off for a few days, returning on June 9, 2021.

President Gonzales proceeded to the next item on the Agenda, Legal Counsel report. There is quite a bit of uncertainty as to what is going to happen on June 15, 2021 with the reopening of the state. There has not been a lot of clarity on the effect Executive Orders that are currently in place. Currently, it appears the Brown Act Executive Order for virtual meetings will not be lifted on June 15, 2021 and the Governor will be giving public agencies advance notice in order to prepare for a return to in-person meetings; May 21, 2021 was the deadline for bills to advance from the appropriations committee. Some of the bills opposed by the water industry have been held in the appropriations committees of both houses. SB 223, the Service Termination Bill, was held in the Senate Appropriations Committee, AB 1434 reducing indoor water use efficiency standards was held in the Assembly Appropriations Committee. AB 377 which would alter and restricted the ability of the State and Regional Boards to have flexibility in enforcing water quality and discharge standards was also held in the Appropriations Committee. Those bills are likely to be dead for this session, but may be reinvigorated after the new year; Several bills were amended - AB 339, a Brown Act bill that would have required agencies to translate and interpret their agendas and meetings now only applies to cities and counties with population requirements; SB 222, the Low Income Rate Assistance Program statewide, was amended and conditioned on a funding source either through the State budget or another statute; AB 361, a Brown Act bill allowing teleconferencing when there is a statewide of emergency; SB 323, establishing 120 day statute of limitations for Prop 218 challenges has moved out of the Senate and into the Assembly; AB 1195, Christina Garcia's bill, was amended and has passed onto the Senate, it outlines member jurisdictions and there will not be direct oversight of Central Basin Municipal Water District but they will have the authority to request an audit or financial review of CBMWD or any other agency receiving state funding, and there is a pilot program in place that if any consolidations or dissolutions requested will be run through LAFCO.

President Gonzales proceeded to the next item on the Agenda, Director's request for future agenda items. There were none.

President Gonzales proceeded to the next item on the Agenda, Director report on meetings attended. Director Ramirez stated on June 1, 2021 there was a presentation at CBMWD regarding Lake Tahoe and Lake Mead and water levels.

President Gonzales proceeded to the next item on the Agenda, Director comments. There were none.

The Board retreated to Closed Session at 6:59 p.m.

The Board reconvened at 7:24 p.m. and Legal Counsel stated that Closed Session was held under Government Code Sec. 54956.9 (d) 4, regarding anticipated litigation. The Board was briefed on the facts and circumstances of that matter and no reportable action was taken.

There being no further business to come before the Board, the Board meeting adjourned at 7:25 p.m.

David R. Gonzales, President

STAFF REPORT

To: Honorable Board of Directors

From: Mark Grajeda, General Manager

Meeting Date: June 16, 2021

Subject: Action Item 7A – Consideration and Possible Adoption of Resolution No. 214-R Restating the Policy Regarding Director’s Travel and Expense Reimbursement

RECOMMENED MOTION

That the Board approve recommendations as submitted.

FISCAL IMPACT

Minimal financial impact.

BACKGROUND

The Administrative Standing Committee met on Tuesday May 18, 2021, to discuss and review the District’s Conflict of Interest Code which was last reviewed by the Board on September 17, 2008 and after some discussion recommended that it be placed before the Board for consideration with a recommendation from the Administrative Standing Committee of no changes.

The Administrative Standing Committee also discussed and reviewed the District’s Travel and Expense Reimbursement Policy and recommended the following changes:

Amend Section 1.C to read as One function per month hosted by the Central Basin Municipal Water District and one function per month hosted by the Water Replenishment District; and one function per month which allows the Board member to choose to attend a second function hosted by the Water Replenishment District of Southern California **or** a second function hosted by the Central Basin Municipal Water District **or** one function hosted by the Los Angeles County Sanitation District or one City of Pico Rivera council meeting. Due to the magnitude of the work performed by WRD and how that work impacts the District I recommend that the Board strongly consider making one meeting by WRD per month to be a permanent meeting.

And the Standing Committee voted to recommend to amend Section 3., which increases the overnight lodging allowance from \$200 per night to \$300 per night; and lastly voted to amend Section 4., which increases the meal allowance for lunch from \$25 to \$30 per day; and for dinner from \$40 to \$50 per day.

DRAFT RESOLUTION

**RESOLUTION NO. 214-R
RESOLUTION OF THE BOARD OF DIRECTORS
OF PICO WATER DISTRICT RESTATING
THE POLICY REGARDING DIRECTOR'S TRAVEL
AND EXPENSE REIMBURSEMENT**

WHEREAS, California law requires each local public agency to adopt a policy relating to the compensation of directors and reimbursement of expenses to directors; and

WHEREAS, Pico Water District (the "District") has previously adopted such a policy to govern the compensation of directors and reimbursement of expenses to directors; and

WHEREAS, the District now desires to amend and restate its policy governing directors' compensation and expense reimbursement,

NOW, THEREFORE, BE IT RESOLVED that the District's Board of Directors hereby approves and adopts the following restated policy regarding directors' compensation and expense reimbursement:

1. Compensation for Attendance at Conferences, Meetings, etc.

- A. Board members shall be compensated at the rate of \$150.00 per day for attendance at meetings of the Board, including Board committee meetings in accordance with the policy set forth in Paragraph 7, below as to ad hoc committees and Standing Committees (which include the Engineering, Administrative, Finance and Water Conservation Committees), and for each day's service rendered as a member of the Board as approved by the Board in an open and public meeting for conferences, organized educational activities or other water-related events, such as water educational workshops/seminars, water classes, water seminars, water symposiums, water tours and special water-related/public works and regulatory functions; and for travel days to and from any conference, organized educational activity or other event where service is rendered as a member of the Board, as approved by the Board in an open and public meeting; provided, however, that pursuant to Water Code Section 20202, such compensation shall not be paid for more than a total of ten (10) days in any calendar month. Such compensation shall be provided in addition to any registration fees paid by the District for attendance at the conference, organized educational activity or other approved event and in addition to any reimbursement in accordance with this policy for meals, lodging and travel expenses incurred in attending any conference, organized educational activity or other approved event; provided, however, that no compensation shall be paid to any Board member unless an expense report has been submitted by that Board member, as provided in greater detail in

Paragraph 5, below.

- B. In addition to the meetings, conferences, organized educational activities and approved events attended pursuant to Subparagraph A, above, a Board member shall be permitted an additional twelve (12) days per year to attend other water-related events at the discretion of each individual Board member, without prior Board approval; provided, however, that in no event may a Board member receive compensation for more than ten (10) events in any one calendar month. Such water-related events shall include water educational workshops, water classes, water seminars, water symposiums, public works/regulatory training seminars, water tours and special water-related functions. Any travel days required to attend such events under this Subparagraph B shall not be compensable in accordance with Subparagraph A, above, but also shall not be counted against the twelve (12) days provided under this subparagraph.
- C. In addition to the meetings, conferences, organized educational activities and approved events attended pursuant to Subparagraphs A and B above, a Board member shall be permitted to attend:

One function per month hosted by the Central Basin Municipal Water District;

One function per month hosted by the Water Replenishment District; and
One function per month which allows the Board member to choose to attend a second function hosted by the Water Replenishment District of Southern California or a second function hosted by the Central Basin Municipal Water District or one a function hosted by the Los Angeles County Sanitation District or one City of Pico Rivera council meeting;

Also, the following events are pre-approved by the Board of Directors:

- All Central Basin Water Association Quarterly Meetings;
- The Metropolitan Water District of Southern California Annual Spring Green Expo;
- The Water Replenishment District of Southern California Annual Groundwater Festival;
- The Association of California Water Agencies Region 8 Program Meetings;
- The San Gabriel Valley Water Forum Events; and
- Sanitation Districts of Los Angeles County Annual Earth Day Event at the San Jose Creek Water Reclamation Plant;

Such functions shall include Board of Director's meetings, Committee meetings, Caucus meetings, water educational or other workshops, water classes, water seminars, water symposiums, public works/regulatory training seminars, and special water related functions. Due to the local nature of these functions, no travel days shall be authorized for any functions attended under

this subparagraph.

- D. Each Board member who attends a conference, organized educational activity or other approved event for which compensation is paid under Subparagraphs (A) and (B) and (C), above, shall give at the next regular Board meeting following such conference, activity or event a brief report (oral or written, at the Board member's discretion) of the event attended. If multiple Directors attend the same event, a joint report may be made.

- E. Notwithstanding any other provision of this Policy, but subject to the last sentence of Subparagraph A, above, Board members shall be limited to attending a total of two conferences (defined as any event at which the Board member stays overnight at the District's expense) each calendar year, and each Board member shall be limited to a total of \$4,200 for expenses incurred at any such conferences attended, including the registration fee paid by the District for the Board member's attendance at any such conference. In the event that a Board member exceeds the \$4,200 limitation for such conference expenses, the Board member shall personally bear those excess costs and the District shall be under no obligation to reimburse the Board member for those excess costs.

2. Travel Expenses.

Subject to the limitation in Subparagraph 1(D), Board members shall be reimbursed for all actual and necessary expenses incurred in traveling to and from conferences, organized educational activities or other approved events attended on behalf of the District pursuant to Paragraph 1, above, in accordance with this Paragraph 2, as follows:

- A. General. Travel expenses shall include round-trip air fare, actual expenses for ground transportation to and from airports and hotels, car rental in accordance with Subparagraph (C), below, where applicable, and mileage reimbursement for use by Board members of privately-owned vehicles, other than rental cars, in the conduct of District business. Board members shall exercise prudence in all travel-related expenditures and shall use the most economical mode and class of transportation consistent with scheduling needs and the most direct and time-efficient route. Whenever possible, Board members shall use government or group rates for travel.

- B. Mileage Reimbursement. Mileage reimbursement shall be at the current maximum allowable per mile rate established from time to time by the Internal Revenue Service. The Board has confirmed the following mileage from the District's office to the listed conference locations:

<u>Conference Location</u>	<u>Round Trip Mileage</u>
----------------------------	---------------------------

Anaheim	60
Lake Tahoe	1,000
Las Vegas	526
Monterey	682
Palm Springs	220
Reno	1068
Sacramento	800
San Diego	240
San Francisco	794
San Jose	714
San Marcos	200

Mileage to any other locations shall be determined by the General Manager through use of Google maps, using the District's office as a starting point.

In addition to the actual round-trip mileage set forth in the foregoing table, Board members shall be reimbursed for actual miles driven, up to a maximum of ten (10) miles per day, at any conference, organized educational activity or other approved event location.

- C. Rental Car Expenses. A Board member shall be entitled to full reimbursement for the actual cost of any rental car, and gasoline expenses incurred therewith, utilized for transportation to and from any conference, organized educational activity or other approved event location, but shall not also be entitled to mileage reimbursement under Subparagraph 2(B), above, for the miles traveled in use of the rental vehicle. A Board member renting a vehicle for District travel shall endeavor to rent the most economical vehicle under the circumstances and shall attempt to obtain government or group rates for any such rental.

3. Overnight Accommodations.

For lodging in connection with a conference, organized educational activity or other approved event, the lodging costs shall not exceed the maximum group rate published by the conference, activity or event, provided the lodging is available to the Board member at the time of booking. If the group rate is not available, the Board member shall use comparable lodging not to exceed ~~\$200~~300.00 per night, or use applicable government or group rates offered by the provider of lodging; provided, however, that any lodging expense that exceeds the amount set forth herein shall be

approved by the Board in an open and public meeting before the expense is incurred. Overnight accommodations will be provided for Board members or other authorized District personnel only; no reimbursement will be made for guests or family members of authorized personnel or Board members. In the event a Board member or other authorized District personnel desires to obtain accommodations for a spouse or other guest and such additional accommodations result in an increased cost for the accommodations, the Board member or other authorized person shall bear that additional cost unless otherwise approved by the Board in an open and public meeting before the additional cost is incurred. In the event Board member or other authorized District personnel seeks to upgrade his or her room from that approved by the Board, then that Board member or authorized person shall bear the additional cost resulting from that upgrade unless otherwise approved by the Board in an open and public meeting before the additional cost is incurred.

4. Meals and Incidental Expenses.

All meal and incidental expenses to be reimbursed under this policy are limited to the actual expenses incurred by a Board member in his or her capacity as a director of the District, and shall be substantiated in accordance with Paragraph 5, below. Board members shall be reimbursed for meal and incidental expenses in accordance with the following rates, provided, however, that a Board member may exceed a specific category set forth below in this Paragraph 4, so long as his or her cumulative expenses for a given day do not exceed the total of the following rates:

- (i) Breakfast: not to exceed \$15.00 per day;
- (ii) Lunch: not to exceed \$2530.00 per day;
- (iii) Dinner: not to exceed \$4050.00 per day; and
- (iv) Incidental Expenses: not to exceed \$10.00 per day.

The only exception to the foregoing rates shall be when a Board member submits registration with ACWA or other water associations which includes meals that may exceed the stated amount or as approved by the Board in an open and public meeting before the expense is incurred. Alcoholic beverages and other non-essential expenses (including, but not limited to, in-room movies, Service Bar, etc.) will not be reimbursed.

5. Reimbursement Procedure.

Reimbursement for actual and necessary expenses incurred under this policy shall be made through expense report forms to be completed and submitted to the District by Board members, together with an explanation of the District-related purpose for the expenditure and receipts documenting each expense. Expense reports shall be submitted by Board members within a reasonable time, not to exceed thirty (30)

days,
after incurring the expense. Expenditures which are improper or otherwise not consistent with the prohibition against gifts of public funds mandated by the California Constitution will not be reimbursed. Where such improper expenses have been paid by the District, they will be deducted from monies otherwise due Board member or District personnel. If a Board member owes any money to the District as a result of expenditures not reimbursed to the District by the Board member, the District shall withhold such monies from amounts otherwise payable to the Board member, including, but not limited to, meeting compensation. Board member per diem compensation shall be paid at the next regularly scheduled Board meeting, Special Meeting or Standing Committee meeting following submittal of the request for payment of such compensation. Any reimbursement for expenses incurred by a Board member shall be paid within four working days of submittal of the request, accompanied by all required documentation as set forth in this Policy.

6. Reporting of Expenditures.

To implement the reporting requirements of Government Code Section 53065.5, the District will prepare a list of the amount and purpose of each expense reimbursement made to each Board member for the preceding fiscal year, which will be available to the public.

7. Committee Compensation.

Notwithstanding any statement in Paragraph 1, above, to the contrary, compensation to be paid to any Board member for service on an ad hoc committee shall not be paid on a daily basis, but, unless otherwise approved by the Board, is limited to a one-time payment of \$150 for service on the committee for the duration of the committee's existence.

PASSED AND ADOPTED this 16⁹th day of ~~June~~April, 20217.

WATER LEVELS REPORT

Water Levels for May 2021

Listed below are the water levels for the two key monitoring wells used by the Water Replenishment District of Southern California (WRD), and the District's active wells.

WRD is charged with monitoring the water levels in both the Central Basin and West Coast Basin, and with making sure both basins are replenished annually. As a means of monitoring the levels in both basins WRD measures the depth of water in two specific wells, 1601T located in between the San Gabriel River and the Rio Hondo spreading grounds, and the second Carson #1 located in the City of Carson. WRD compares the levels of these two wells month to month, and year to year as a means of gaging the reliability of both basins (levels listed are in feet below surface). As this report is specific to the Central Basin, we are only showing the Central Basin Monitoring Well results below.
