PURSUANT TO BROWN ACT PROVISIONS

WHEREAS, the Pico Water District (the "District") is committed to preserving and nurturing public access and participation in meetings of its Board of Directors; and

WHEREAS, all meetings of the District's Board of Directors and its standing committees are open and public, as required by the Ralph M. Brown Act (California Government Code Sections 54950 – 54963), so that any member of the public may attend, participate, and watch those bodies conduct their business; and

WHEREAS, the Brown Act, in Government Code Section 54953(e), makes provision for remote teleconferencing participation in meetings by members of a legislative body, without compliance with the requirements of Government Code Section 54953(b)(3), subject to the existence of certain conditions; and

WHEREAS, a required condition for application of Section 54953(e) is that a state of emergency is declared by the Governor pursuant to Government Code Section 8625, proclaiming the existence of conditions of disaster or of extreme peril to the safety of persons and property within the state caused by conditions as described in Government Code Section 8558; and

WHEREAS, a proclamation is made when there is an actual incident, threat of disaster, or extreme peril to the safety of persons and property within the jurisdictions that are within the District's boundaries, caused by natural, technological or human-caused disasters; and

WHEREAS, it is further required that state or local officials have imposed or recommended measures to promote social distancing, or the legislative body meeting in person would present imminent risks to the health and safety of attendees; and

WHEREAS, such conditions now exist in the District, specifically, COVID-19, and its Delta, Omicron and BA.2 variants, which remain highly contagious and, therefore, a threat to the

health, safety and well-being of the District's employees, directors, vendors, contractors, customers and residents; and

WHEREAS, orders from the Los Angeles County Department of Public Health and regulations from the State of California impose limitations on gatherings and provide guidance on best practices with respect to actions to reduce the spread of COVID-19; and

- B. The District's legal counsel has reached agreement with BASULTO on the terms under which he would serve as the District's General Manager, as memorialized in this Agreement.
- C. At the regular meeting of the District's Board of Directors on June 15, 2022, the Board stated its desire to engage BASULTO as the District's General Manager and considered the terms of his employment in that position, as set forth in this Agreement, which the Board approved at that regular meeting.

AGREEMENTS:

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH BELOW, the parties agree as follows:

1. <u>EMPLOYMENT</u>

{152101/003/00576902}

Subject to the provisions of Paragraph 5 below, the District employs BASULTO as its General Manager beginning July 1, 2022 and continuing for a term of one (1) year, until June 30, 2023, unless sooner terminated as provided herein, and BASULTO hereby accepts such employment. The Employment Contract shall be automatically renewed and extended on July 1st of each year beginning July 1, 2023 for a succeeding two (2) year period, but only if BASULTO receives a satisfactory evaluation as a result of his performance evaluation as set forth in Paragraph 3, below. It is the right of either party to give written notice of his or its intention not to renew the Employment Contract to the other on or before June 30 of each year.

2. DUTIES

The General Manager shall perform those duties expected of a general manager as more clearly defined and set forth in the General Manager's Job Description approved by the Board of Directors, a copy of which is attached as Exhibit "A" and incorporated by reference to this Employment Contract.

3. COMPENSATION

The District shall pay the General Manager an annual salary of One Hundred Fifty Thousand Dollars (\$150,000.00), payable in equal installments concurrently with salary payments to other employees of the District. If this Employment Contract is extended as provided in Paragraph 1, above, and the annual salary is adjusted by the Board, such adjustment will be effective July 1 by written amendment to this Employment Contract signed by the parties and approved by action of the Board following the annual evaluation of the performance of the General Manager; provided that the Board will also conduct an evaluation of BASULTO on or around January 3, 2023 and the Board may, in its discretion, adjust BASULTO's compensation at that time. The annual adjustments, if any, will be based upon the review of the performance of the General Manager by the Board, which

[152101/003/00576902]

evaluation shall subsequently be completed prior to June 30 of each year with any salary adjustments effective July 1. Evaluations may be performed by the Board or a committee thereof. Salary adjustments shall be within the sole discretion of the Board. Adjustments shall be in addition to any general cost-of-living adjustments which the District may, at any time during this Employment Contract, provide to other employees of the District as provided in Paragraph 4(a) below.

4. BENEFITS AND SPECIAL COMPENSATION

- a. The District agrees to provide to the General Manager the same benefits and special compensation, if any, including, but without being limited to, retirement benefits, health and welfare insurance, life insurance and other benefits which the District at any time or from time to time during the continuance of this Employment Contract provides to other employees of the District and upon the same terms and conditions applicable to such employees. The District will provide the General Manager with a cellular phone/smart phone and pay for all expenses incurred in connection with its use for District business.
- b. The General Manager shall be entitled to vacation and sick leave time in accordance with the District's Employee Handbook, as it exists from time to time, with full pay. The vacation time hereby authorized to be taken by the General Manager may be taken by him either all at one time or at various times, aggregating in any one year the total vacation time to which he is entitled in each of the years of his employment hereunder and at such time or times as are convenient to the General Manager. The General Manager agrees to take his vacation at such time or times as in his opinion will cause the least inconvenience to the District, but in no instance will any one vacation exceed twenty (20) working days in length without prior Board approval.
- c. The General Manager will provide and maintain a suitable vehicle for use at all times on District business. As the duties of the General Manager require that he travel to

{152101/003/00576902}

meetings and conferences and other locations in connection with District business, and that he be "on-call" during non-office hours and on weekends to be able to respond to emergencies affecting the District, the General Manager shall, at his expense (excluding fuel), maintain such a vehicle at all times in proper operating condition. As compensation to the General Manager for the use of his vehicle for District business, and all costs associated therewith, the District shall provide the General Manager with an automobile allowance of \$500.00 per month, which is intended to cover all of the operating and maintenance expenses associated with use of the General Manager's vehicle for District business, including registration and license fees, maintenance, repairs, gasoline, insurance, and normal wear and tear, and the General Manager shall not be entitled to reimbursement for mileage or other expenses incurred for the use of said vehicle. This automobile allowance shall be treated as a non-accountable plan for purposes of tax reporting and the entire amount of said allowance will be reported as taxable compensation on the General Manager's IRS W-2 form, and taxes will be withheld from that amount.

5. TERMINATION

- a. This Employment Contract shall terminate on death or disability of the General Manager. For purposes of this subparagraph (a), the term "disability" shall mean that the General Manager is unable to perform the duties of his position by reason of a physical or mental illness or impairment as determined by the Board, and such condition shall have continued for a period of ninety (90) days. If the General Manager is unable to resume and effectively discharge his duties hereunder at the end of such ninety (90) day period to the reasonable satisfaction of the Board, the District may cancel this Employment Contract and be relieved of any obligations hereunder after the date of official action by the Board terminating this Employment Contract.
- b. In addition, this Employment Contract may be terminated by the General Manager at any time, without cause, upon no less than three (3) months' prior notice to the District.
- Manager's employment, and thereby terminate this Employment Contract at any time, upon not less than thirty (30) days prior written notice to the General Manager. Good cause under this subparagraph is defined as a finding by a majority of the Board that the General Manager has, for reasons other than disability, failed to competently discharge his duties and responsibilities. The Board shall state objective findings in connection with any such termination.
- d. Absent good cause, the District may terminate the General Manager's employment and thereby terminate this Employment Contract at any time upon a supermajority vote of the Board and upon not less than sixty (60) days prior written notice to the General Manager, but in such event the District shall pay to the General Manager in a lump sum upon the effective date of termination an amount equal to two (2) months of the then current salary of the General Manager. For the purposes of termination by the District absent good cause as stated herein, a supermajority

vote shall mean a vote in favor of termination by at least four (4) of the five (5) directors of the District's Board of Directors.

- e. Notwithstanding any other provisions of this Employment Contract, the District shall have the right to terminate the General Manager's employment and thereby terminate this Employment Contract in the event of any willful breach of duty or willful breach of District rules by the General Manager in the course of his employment or for acts of moral turpitude or conviction of a felony. Any termination by the District under this subparagraph must be by action of the Board at a duly convened meeting with at least seventy-two (72) hours advance notice to the General Manager.

- g. Except as otherwise provided in this Paragraph 5, upon the effective date of termination neither party shall have any further responsibility, obligation or liability under this Employment Contract.

6. GENERAL PROVISIONS

- a. This Employment Contract constitutes the entire agreement between the parties and supersedes all prior oral or written agreements of any kind. No amendments to this Employment Contract may be made except by a writing signed by both parties.
